

## Recycle Compressor Discharge Pumps with Mechanical Seal System **Enerflex, WA for OOCEP Abu Tubul Block 60 Gas Processing Plant in Oman**

### Recycle Compressor Discharge Pumps

The Recycle Compressor Discharge Pumps were part of the OOCEP Abu Tubul Block 60 Gas Processing Plant in Oman. The pump are our from our agency line - Sundyne LMV-322 single stage pumps with an integral gearbox.

Scope included dual unpressurised tandem process seal arrangement - monitored by the plan 52 seal system via the pressure and temperature transmitters and gauges. Secondary seal leakage will also be to the plan 52 system. A pressurised lube oil system consisting of an external pre-lube oil pump and a forced draft, pin fin air cooler is fitted to the pumps. (2 off skids supplied in total)

Installed unit shown at OOCEP Abu Tubul Block 60 Gas Processing Plant in Oman. Delivered to site May 2013.
